

Cornerstone International School

Home–School Partnership & Agreement

At Cornerstone International School, we believe that when the school, parents, and students work together, every child can achieve their highest potential — academically, socially, and personally. Our partnership with families is built on shared responsibility, open communication, and mutual respect. This collaboration works effectively through four main parts:

- 1 1. Our Expectations from Parents and Carers
- 2 2. Our Commitment to You
- 3 3. Progress and Reporting
- 4 4. Home–School Agreement

1. Our Expectations from Parents/Carers

We believe that when parents and carers are actively involved, children become more confident, responsible, and successful in their learning.

- 1 Ensure your child attends school regularly, punctually, and in full school uniform.
- 2 Contact the school on the first morning of absence and confirm the reason in writing.
- 3 Inform the school of any concerns or issues that may affect your child's work, wellbeing, or behaviour.
- 4 Support school policies and uphold our Code of Conduct (as outlined in the Student Planner).
- 5 Stay actively involved in your child's education by attending Parents' Evenings, school events, and discussions about progress.
- 6 Log in to our Educare platform using the parent PIN and password provided to access student information, updates, and make necessary payments.
- 7 Access the Educare platform here: <https://cornerstone.educare.school/>

2. Our Commitment to You

As a school, we are committed to providing every student with the best learning experience, nurturing both academic excellence and personal growth.

- 1 Help every student achieve their full potential as a valued member of our school community.
- 2 Provide a balanced and engaging curriculum that meets individual learning needs.
- 3 Maintain high standards of work and behaviour through positive relationships and responsibility.
- 4 Keep parents informed about school matters and student progress through open communication.
- 5 Remain approachable and welcoming, encouraging parents to be part of school life.
- 6 Set realistic academic goals and motivate students to reach them.
- 7 Contact parents promptly regarding any issues related to attendance, punctuality, or equipment.
- 8 Provide access to the Educare platform for real-time updates on student performance, announcements, and school activities.

3. Progress & Reporting

We value transparency and consistent communication with parents about their child's academic progress.

- 1 End-of-Key-Stage Reports
- 2 Termly Progress Reports
- 3 Parents' Consultation Evenings

4. Home–School Agreement

This agreement represents the shared promise between the school, parents, and students — a partnership built on trust, communication, and responsibility.

By signing and following our Home–School Agreement, we commit to working together for the success, wellbeing, and happiness of every student.
